IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

In re Application of: Manabu Koga

Serial No.: 09/922,950

Group Art Unit: 2188

Filed: August 7, 2001

Examiner: Doan, Duc T.

For: MICROCOMPUTER

Honorable Commissioner of Patents
Alexandria, VA 22313-1450

RECORD OF TELEPHONE INTERVIEWS

Sir:

The undersigned attorney received a telephone call from Examiner Duc T. Doan in which the Examiner stated that as a result of the Amendment filed November 28, 2005, he believed that the rejection in the Office Action of June 27, 2005 could not be maintained. The Examiner also stated that he believed that he could find other prior art on which to base a new rejection of claim 1, but that claim 4 was likely allowable. The Examiner suggested that claim 1 be canceled or amended to incorporate limitations from claim 4, so as to make the application allowable. Examiner Doan said that he needed a response by Friday, December 16, 2005.

After referring the matter to the applicant, the undersigned attorney telephoned Examiner Doan to report that the applicant needed more time to consider the matter. Examiner Doan said that he had already completed a new, non-final Office Action.

To the extent necessary, Applicant petitions for an extension of time under 37 CFR §1.136. The Commissioner is authorized to charge any deficiency in fees, including
